**Diana** has had twenty years experience in counselling of individuals, couples, families and group work.

One of her specialities is couples and sexual counselling.

Diana provides a safe and supportive space in which you grow at your own pace.

Comments about Diana from previous group and individual session participants:

“Caring, professional and respectful.”

“A wonderful group I would recommend to others.”

“Thank you for the changes I have made and your assistance in helping me move on with my life.”

## **CAN MONOGAMOUS PARTNERS MAINTAIN A PASSIONATE SEXUAL RELATIONSHIP?**

“Best of all, couples will be able to tailor a tremendous store of sexual techniques to fit their own personalities, preferences and lifestyles. Hot Monogamy offers all the support and encouragement that is needed to become *sexually fluent*, and proves that mutual desire and sexual heat don't have to fade but can grow more powerful with every passing day.”

Hot Monogamy  
by  
Dr Patricia Love  
and Jo Robinson
